

Here are some SPECIAL things you need to know when visiting The Theatre Company for a Halloween costume during the time of COVID...

1. Masks are required at all times. Non-negotiable.
2. Your temperature will be taken prior to store admittance. Please do NOT visit if you are experiencing any possible COVID related symptoms. Theatre Company staff shall have absolute authority to deny admittance due to temperature check or observed symptoms.
3. Walk-ins are fine for sale items like wigs, make-up, and accessories. Be sure and check our business hours schedule before coming.
4. Customers RENTING items are STRONGLY encouraged to call ahead to make an appointment to avoid long wait times. Priority will be given to people with appointments; others will be asked to wait for an available Theatre Co. staff member.
5. Only customers who intend to rent or purchase will be allowed access to costumes; others may be asked to wait outside the store.
6. Rental appointments, including try-on time, are limited to 30 minutes maximum; there will be an additional service fee if you need longer. Please decide, at least generally, what you are looking for in advance so our designers can assist you efficiently.
7. Due to sanitation costs and time spent, you may be limited to a maximum of three (3) outfits to try on. Thanks in advance for your understanding

And even though it didn't USED to be this way, these things are different this year;

1. Rental rates are for 1 primary use. If you find something you like for Halloween and everything fits, you may take it with you today and return it November 1 at no extra charge.
2. If your costume needs alterations, we'll let you know before you leave when it will be available for pick-up.
3. No "browsing" in the rental racks will be permitted this year; only Theatre Company staff may remove hanging garments from storage locations.
